

## Bendigo Bank

### Congratulations Year 12 P-TECH Student Jack Terrill Presenting at the World “Planet P-TECH” Summit New York

Jack’s P-TECH story started in Year 10 when he elected to study Certificate III in Business at the Gordon and was partnered with mentors at Bendigo Bank. T his opportunity quickly turned to a school based apprenticeship and now Jack has part-time employment at the bank whilst completing his VCE.

This month Jack will represent Newcomb Secondary College as the only Australian student at the world “Planet P-TECH” conference in New York.

He will be presenting about his experience in the program and the personal skills he has gained that led to his part-time employment at Bendigo Bank.
